

MISSION STATEMENT

Owner's Advocate, a provider of project administration services, is distinctive for its uncommon commitment to the success of the owner. We offer professional Construction Management & Project Services from concept to completion. As an agent of the owner, we deliver projects by exploiting marketplace economies and by managing risk. Owner's Advocate is founded on the premise that the construction process, when properly managed, delivers a high quality product efficiently - cost effectively. Characteristic of our projects is an atmosphere of professionalism and a sense of urgency. We work to deliver a high quality product safely, with competitive pricing, on time and within budget. Our goal is to empower the owner to achieve its goals.
